

Baglien 20909 – Sire: Kimm 14015; Dam: Baglien 17766; Triplet; DOB: 1/7/2020; Price: \$950. The keeper out of our 2020 lamb crop, 20909 was used on a handful of mature ewes and ewe lambs for the 2021 lamb crop with good success. He reflects many of his sire's strengths – length, extension, and skeletal correctness.
